Located in Labrador and so very close to a nice number of amenities, this home is perfect for family living. With 3 generously sized bedrooms + study, 2 modern bathrooms (with 1 featuring a spa bath), a separate toilet and powder room. The lounge area is tiled with ceiling fans making it cost effective to keep cool during summer. The kitchen is also well proportioned, fitted with 4 burner gas stove top, oven, rangehood and dishwasher. Plenty of windows help to keep the home well lit and vibrant throughout the day.

A double tandem garage with a workshop and also an additional shed are all located in a wonderfully large backyard for the kids to enjoy. There is an undercover entertainment deck that's great for the odd weekend get-together. And not to be missed, the in-ground swimming pool fully fenced to maximise safety.
